

ENewark, NJ roadside
Jan, 1983

These Cuts Could Cost Our Lives!

- * Newark is number 1 in rate of deaths caused by fire.
(certified by the U.S. Dept. of Commerce+Fire Data Center)
- * Newark leads most major cities in the number of arson fires and fires in general.
- * The number of firemen has been decreasing steadily while the number of fires has been **increasing**.
- * ***The number of fire companies has dropped by 1/4, while the number of fires has almost doubled.***

A community forum with speakers:

Lowell Jones, President of the Vulcans, an organization of minority firefighters

Charlie Plath, International Association of Firefighters & Newark Battalion Chief

and movie "**The People's Firehouse**", the story of a successful community struggle for fire protection in NYC

Friday Jan. 28 7:30 PM
St. Rocco's Church (basement)
(Hunterdon St & 14th Ave.)

sponsored by: **Newark Unity Campaign**, a City wide membership organization committed to independent electoral work and organizing around community issues on a day to day basis. Contact 344-2549 for more information.
